**Gabriela Naldi**

Given that we teach **Literature in English** here at A Book a Month, it is very important to us that our students get **the best opportunities for language development**. To achieve that, we teach **complementary English courses** for those who want to work on their language skills and **accelerate their learning**. Our language courses are divided into **two levels**: English Intermediate and English Advanced. The **English Advanced course** continues the process started in the English Intermediate course, helping students to achieve **higher fluency** and **master the language** (B2 to C1) with activities that target each group's special needs. The course offers ample opportunity for students to practice sophisticated grammar and it works in perfect harmony with our literature courses. Classes happen on **Mondays (19h - 20h30am)**, but if students miss the class, they can come to the **Thursday group (7am - 8:30am)** or watch a recording. It costs an extra R\$ 130 a month and offers **the perfect opportunity** to master the language in an **immersive and welcoming environment!**

## Office hours

Twice a month, our teachers offer a **question-and-answer session** (Plantão Tira-Dúvidas) **open to all A Book a Month students**. Anyone can come and ask English-related questions, talk about Literature, or simply practice conversation with Ana, Áureo or Gabriela. The idea is to get **to know you better** and present each person with **personalised feedback to foster their interests** and **improve their learning**.
