Given that we teach **Literature in English** here at A Book a Month, it is very important to us that our students get **the best opportunities for language development**. To achieve that, we teach **complementary English courses** for the students who want to work on their language skills and **accelerate their learning**. Our language courses are divided **into two levels**, English Intermediate and English Advanced. The **English Intermediate** course focuses on presenting and reviewing essential grammar topics that allow students to **transition from lower to upper intermediate fluency** (B1 to B2). Classes happen on **Mondays (7am - 8:30am)**, but if students miss the class, they can come to the **Tuesday group (19h - 20h30)** or watch a recording. The English Intermediate course **targets each group's special needs** and is built in harmony with the literature classes, so that one course helps improving on the other. It costs an extra R\$ 130 a month and offers **the perfect opportunity** to master the language in an **immersive and welcoming environment!**

## Office hours

Twice a month, our teachers offer a **question-and-answer session** (Plantão Tira-Dúvidas) **open to all A Book a Month students**. Anyone can come and ask English-related questions, talk about Literature, or simply practice conversation with Ana, Áureo or Gabriela.
